

2016-17 Division of State History Goals

- 1) Complete State History's efforts at electronic workflows, digitization, databases, and online presence. This initiative was started in 2015 to increase productivity and information sharing.
- 2) Deepen the reach of State History by measuring partnerships and increased collaboration opportunities.
- 3) Refine and test State History's "Community Preservation" model, which bundles all history and cultural related community efforts into one focus.
- 4) Continue participating in the planning and development towards the Utah Museum of History, Heritage and Arts.
- 5) Annual History conference and statewide focus: Local Matters: (subtitle to be determined). Measurably expand our annual history conference and statewide focus.
